

INDIAN POINT NUCLEAR POWER PLANT

What's going on behind the gates of our radioactive neighbor?

WEDNESDAY, MAY 18, 7pm

Challenge Preparatory Charter School, 710 Hartman Ln, Far Rockaway, NY

- Why has Indian Point been in the news so often lately?
- What condition is the plant in?
- What risks does this plant pose to our community?
- How much energy does it provide, and where is the electricity going?
- How can this plant be running without a license?
- What can we do?

BRING YOUR QUESTIONS
